

TAXES

Presented By

The St. Kitts-Nevis Inland Revenue Department

Introduction

- ▶ The Inland Revenue Department was established in 1967 to collect taxes on behalf of the Government of St. Kitts & Nevis.
- ▶ Where is the Inland Revenue Department (IRD) located?
 - ▶ The IRD is located on the Bay Road in Basseterre, upstairs the General Post Office.

What Are Taxes?

- ▶ Taxes are monies charged on goods and services, that are paid by individuals or businesses.
- ▶ Some taxes that the Inland Revenue Department administer are;
 1. Corporate Income Tax (CIT)
 2. Property Tax
 3. Value Added Tax (VAT)
 4. Unincorporated Business Tax (UBT)

Corporate Income Tax (CIT)

- ▶ CIT is a tax charged on a company's profit at a rate of 33%.
- ▶ CIT is paid annually, and it is due 3.5 months after the company's year end.
- ▶ Examples of companies who are registered for CIT are;
 - TDC
 - S L Horsfords
 - KFC
 - St. Kitts-Nevis-Anguilla National Bank

Property Tax

- ▶ Property Tax is charged on the market value of your land and property (Buildings or Houses).
- ▶ Property Tax is paid by businesses or individuals who own land or property in St. Kitts and Nevis.
- ▶ Property Tax is due by June 30th, of each year.
- ▶ Property Tax is paid at the following rates;

Residential / Home	2%
Commercial/ Business	3%
Accommodations/ Hotel	3%
Schools & Churches (Exempted)	0%
Agriculture (Exempted)	0%

Value Added Tax (VAT)

- ▶ Value Added Tax is charged on goods and services consumed within the Federation.
- ▶ VAT is paid by individuals and businesses.
- ▶ VAT is no longer on food, funeral services and medication.
- ▶ VAT is charged at three rates;
 - Zero rated (0%) Eg: Pampers
 - Ten percent (10%) Eg: Hotel Accommodations, Restaurants and Tours
 - Seventeen percent (17%) Eg: Cars, Beds, Clothes, Lawyer fees.

Unincorporated Business Tax (UBT)

- ▶ Unincorporated Business Tax is charged on the total earnings of individuals and partnerships.
- ▶ UBT is charged at a rate of 4% and it is paid quarterly.
- ▶ Businesses engaged in the sale of goods, are given a deduction amount of \$37,500.00 and businesses engaged in the sales of services are given a deduction amount of \$6,000.00.

What Are Taxes Used For?

- ▶ When taxes are paid, it goes into a fund, where the government distributes it to pay for many different projects that can benefit the citizens of St. Kitts and Nevis.

Examples:

- ▶ Student Education Learning Fund: SELF Program (Textbooks)
- ▶ Salaries of the Fire and Police Officers and Teachers
- ▶ Construction of Community Centres
- ▶ Providing school meals daily
- ▶ Providing medication for the elderly citizens
- ▶ Road and sidewalks construction
