

Discounted VAT Rate Day

Consumer Information Notes

INTRODUCTION

Consumers in St. Kitts & Nevis can purchase goods at a lower VAT rate on Discounted VAT Rate Day (DVRD) on the 18th and 19th of December 2020. Participating businesses will be allowed to charge VAT at a rate of 5%.

Eligible Items

Tangible items that are presently subject to 17% VAT will qualify for the discounted VAT Rate on DVR Day. **In relation to vehicle purchases, VAT will be exempt on the first \$50,000.00. Any cost in excess of the \$50,000 will attract the standard 17% VAT. Persons receiving Duty Free concession on vehicle will NOT be eligible for the DVR Day VAT exemption on the first \$50,000.00. Hence, persons receiving Duty Free concession on vehicle will be required to pay the standard rate of 17% VAT upon purchasing a vehicle at Duty Free on DVR Day 2020.**

Items eligible MUST also be available for sale and immediately available for issuance or delivery to the customer on DVR Day. Orders for items not in stock DO NOT qualify.

Are Items sold on Credit and Hire Purchase eligible for the reduced rate?

YES! Eligible goods sold under a credit or hire purchase agreement will qualify for the reduced rate of 5% if the sale is concluded on the DVR Day. Businesses are reminded that the VAT on the sales under credit terms must be reported in its entirety whether or not payment has been made in full during that tax period.

Rules governing returns and exchanges.

If a customer buys a good at the special 5% rate during the DVR Day and exchanges it on the same day for another good, the 5% rate will still apply. The special rate will NOT apply if the exchange is done after DVR Day 2020.

If a customer buys a good during the DVR Day and returns the item after the Day for a credit on the purchase of a different item, the 17% VAT Rate would apply to the sale of the newly purchased item, even if it would have been eligible for the 5% Rate during DVR Day.

If a customer buys an item before the DVR Day, but returns the item during the DVR Day and receives credit on the purchase of a different item, the reduced rate shall NOT apply on the sale of the new item.
